ADOPT A FLOWER POT

The Town of Norwood has decided to do an “Adopt A Flower Pot” this year. **These are the Concrete pots located along Main Street.**

This is an agreement to “Adopt A Flower Pot” in the town of Norwood.
You agree to do the following:

- Water
- Weed
- Soil/Feed
- Deadhead (pinching off flowers as they fade)
- Trim (any small branched plants)
- Replace seasonal plants with approved plant list – plants are currently purchased at Norwood Hardware

The Townhall of Norwood is not responsible for taking care of the plants once adopted. Once you agree to “Adopt A Flower Pot” you agree to take 100% responsibility for the flowers, soil, watering and feeding.

If the Townhall of Norwood sees a flower pot not being taken care of, we will pull it. We are asking for community effort in the beautification of Norwood.
