

TOWN OF NORWOOD

Request for Bids

IBR 223-200 Street Paving

Addendum Number One

Identification of Streets- The streets to be included in this bid are West Andrews Street and Shady Lane.

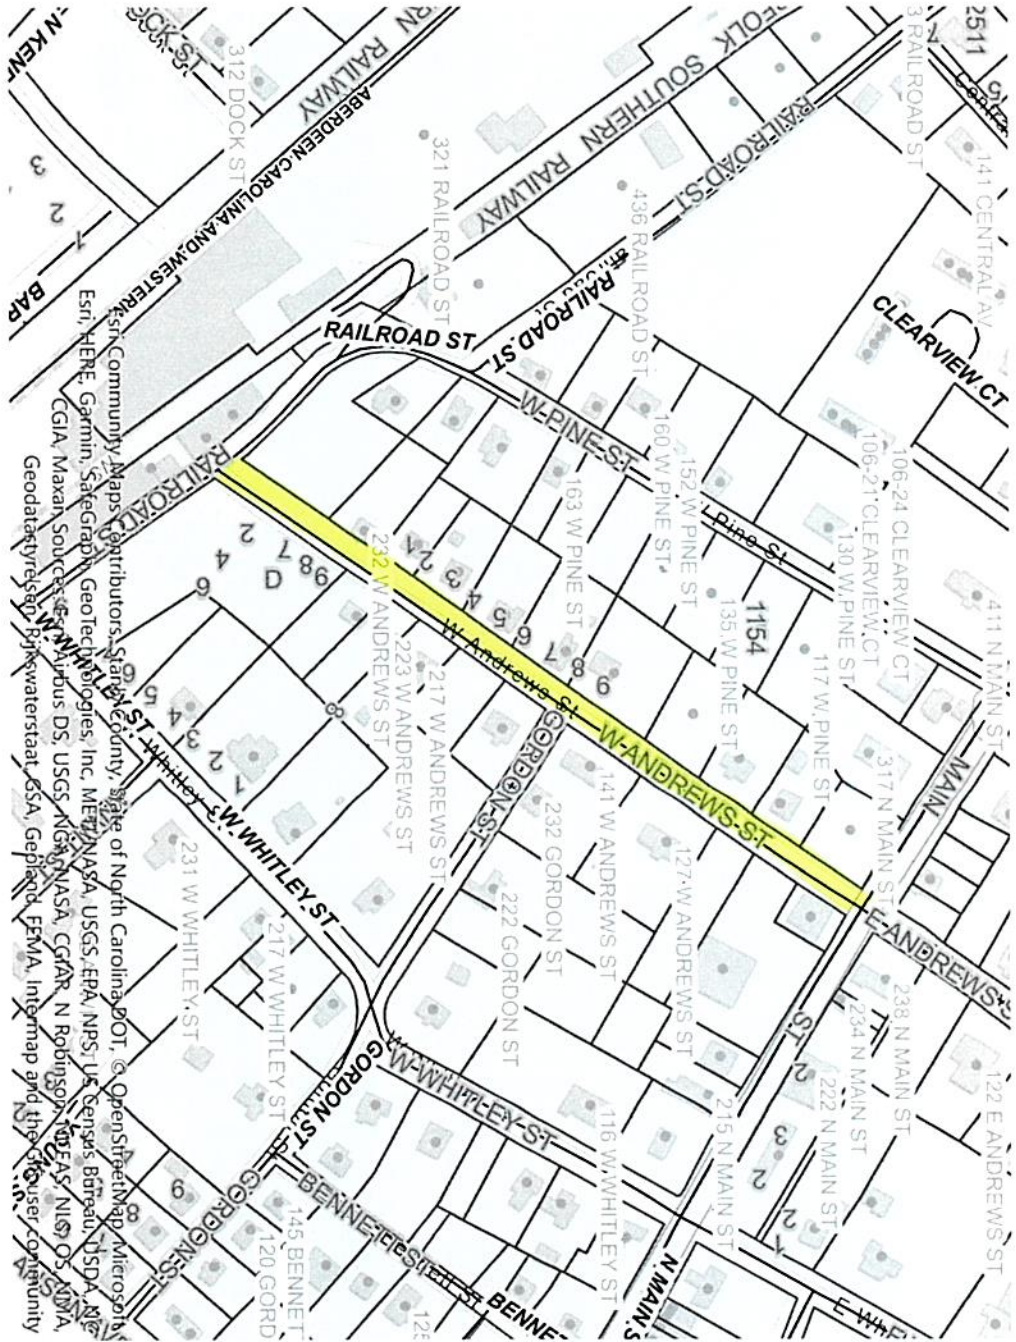

West Andrews Street is approximately 1200 feet long and 18 feet wide.

Shady Lane is approximately 300 feet long and 17 feet wide.

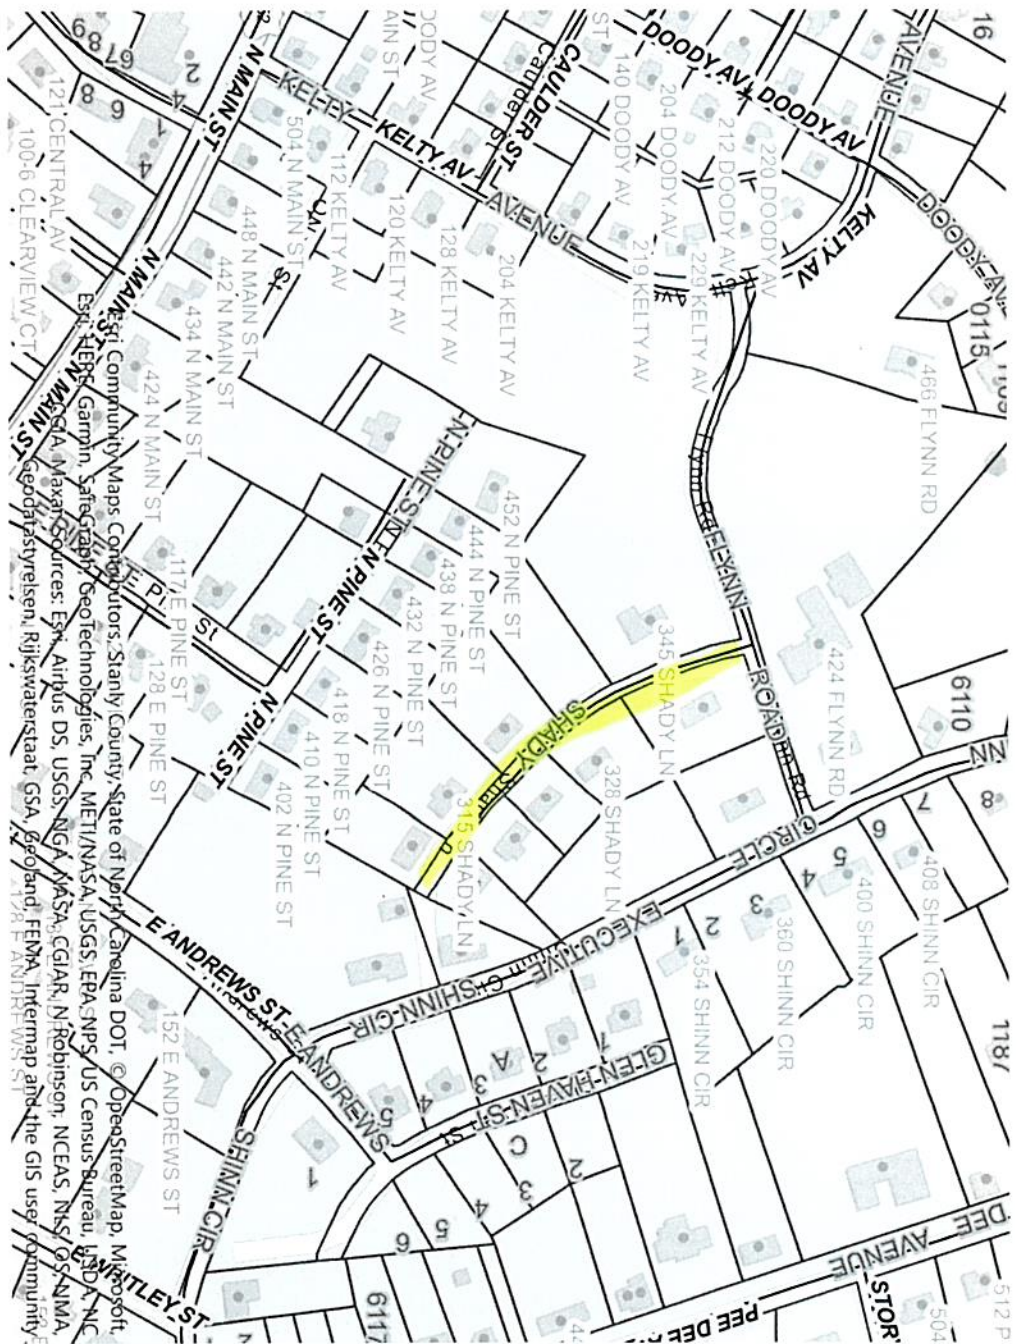

These are approximate measurements and bidders are required to obtain their own measurements for the purpose of bidding.

The amount of asphalt to be installed is two inches.

Location maps of the two streets are attached.
